

MAINE POWDER HOUSE

If this is your FIRST order with The Maine Powder House, you must sign the statement below and fax, email or mail to The Maine Powder House along with a COPY OF YOUR DRIVERS LICENSE before your order will be shipped. If your signature and drivers license is already on file with The Maine Powder House your order will be shipped as soon as payment is cleared.

I certify that:

- I am at least 21 years of age and that I am a legal citizen of the United States of America. The documentation that is attached is the same person signing this release and purchasing this product.
- I intend to use this purchase of Black Powder from The Maine Powder House solely for sporting, recreational or cultural purposes in black powder firearms.
- I will consult all local, state and national authorities, police and/or health and safety executive authorities in your area regarding local laws and regulations applicable for the possession, storage and use of Black Powder before using or contemplating the use of Goex, Elephant, Swiss or Schuetzen Black Powder or any other black powder product
- I have read and understand the ordering policy and product disclaimer.

Black Powder is highly flammable and explosive and must be stored in such a way to avoid exposure to friction, heat, impact, sparks or open flame. The Maine Powder House disclaims any warranties with respect to this product, the safety or suitability thereof.

The buyer assumes all risk and responsibility whatsoever for any and all injuries (including death), losses, or damages to persons or property arising from the use of this product. The buyer shall hold harmless The Maine Powder House and indemnify it against each and every loss, cause of action lawsuit on account of buyer, damages to or loss of property to any person from buyer's operations and/or actions under this agreement or otherwise.
